

Business Rules:

- Students must be enrolled in at least one course to access professional feedback and review.
- Students cannot take two courses with conflicting times at the same time.
- A student is required to complete one project for each course they take.
- Classes will consist of a max of 30 students.
- Each Class section requires at least one project.
- A student is required to create one and only one resume and portfolio.
- A student's portfolio includes at least 1 course project.
- A student's resume includes at least 1 accomplishment.
- If a student wants help for building their portfolio and/or resume, 1 career coach is assigned to that student.
